### ACTION PLAN FOR CURRICULUM DEVELOPMENT (OBE based Curricula)

1. As per the directives of the Vice Chancellor on 29 June 2019 in presence of the teachers, an action plan regarding the development of curricula for the programs offered by the University has been prepared.
2. The implantation of the plan includes all the non-engineering departments and the interdisciplinary Department of Science & Humanities.
3. The action plan follows a timeline and will be monitored by IQAC, BAIUST along the way. Moreover, the Vice Chancellor has expressed his interest in monitoring the activities.
4. Following the draft plan, a tabular presentation of action is presented below:

Serial No.	Type of Action	Procedure of Action	Deadline of Implementation
1.	Signing Memorandum of Understanding (MoU) with prospective employers	(1) The Heads of the Departments along with the teachers will contact employers with details of BAIUST and the standard of education provided in the University. They will put forth proposals of MoUs with those employers' respective organizations/ institutions. (2) They will collect the graduate qualifications and requirements (employability) expected by the employers of the organizations/ institutions. The collected graduate attributes will be the basis of PO/ CO. (3) The employers of the MoU signed by the organizations/ institutions may visit the Departments for evidential experience of the graduate performances as per the expectations that indicate their employability.	31 July 2019
